

Dear Scholarship Donor,

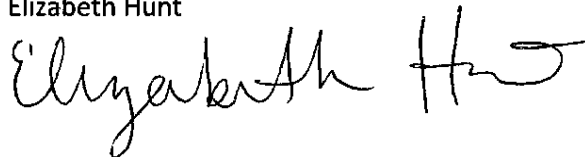

Thank you for the American Volunteer Group Flying Tigers Scholarship. It is a great honor that you chose to recognize my achievements and past leadership skills by awarding the scholarship to me. My family and I have had an enormous amount of trouble finding a way to pay for the rest of my education. It was a very big relief and excitement when I found out that I had been awarded the scholarship and it is going to help me complete my education.

I am currently a junior, Aeronautics major, working on my private pilot's certificate, and I hope to fly cargo for a company someday. However, given the current economic situation I would take just about any job after college. I am also a member of the Flight Team, work as an admissions tour guide, and work as a dispatcher at the flight line.

This scholarship comes as a big relief and is making my goals closer in my reach. On behalf of my family and I, I would like to thank the members and families of the AVG for all the hard work and dedication you have showed our country and for giving me the opportunity to do something that has seemed so impossible for the past few months. Again thank you for the AVG scholarship and all the doors you have opened for me.

Sincerely,

Elizabeth Hunt
