Dear Friend of the DAV:

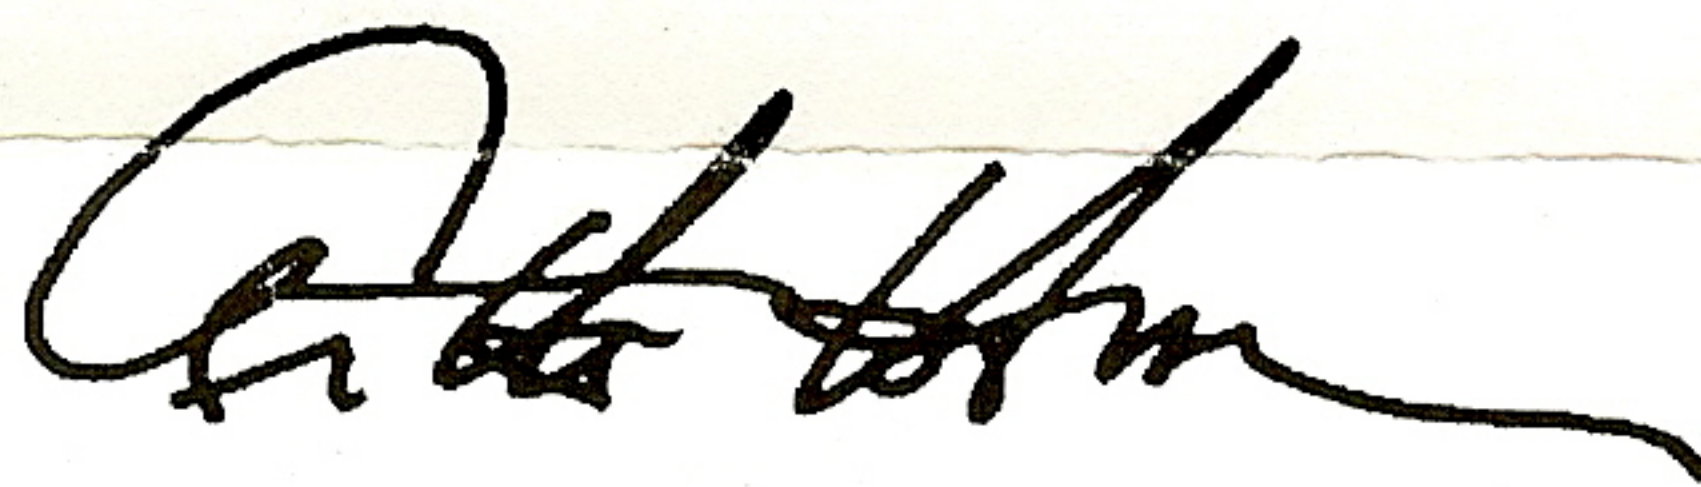

Thank you so much for your incredibly generous gift of \$2,500.00 to the Disabled American Veterans. We deeply appreciate your obvious compassion for our work and we are so grateful to you for caring this much about us to offer such strong support!

Your gift will go a long way toward helping us deliver the best of services to our country's disabled veterans... the men and women who have sacrificed greatly in order for us to enjoy the countless freedoms we have today. I have *you* to thank when I hear from these disabled veterans every day, expressing appreciation for all that we do. Over and over they tell me that we are the country's best service organization. We at the DAV know that it's true, but it means all the more to hear it from those we serve.

The fact is, the DAV would not exist if it weren't for the generosity of members and friends like you, who remember and care. The DAV receives no government funding. Charitable donations provide our only means of reaching every veteran who needs our help. Last year alone we were able to assist more than a quarter of a million of our country's disabled veterans and their family members in obtaining the benefits and services they need and deserve.

Again, please know that your extremely generous gift will make a world of difference in what we can do for so many deserving veterans. Thank you again for caring about disabled veterans and for helping us change lives. You are a true friend indeed to our cause!

With sincere gratitude,

Arthur H. Wilson
National Adjutant
